Play Structure
Re-opening
(May 26th)
- Merivale High

(June 1st)
- Ward 9 Fun Day
(June 9th)

Councillor's Message

I would like to start this week's message with an invitation to come out to the ribbon cutting for the new play structure at Raoul Wallenberg Park which will be happening this Saturday at 10:00 a.m. We will have treats for the kids. This is one of two parks in the Ward in which the City are replacing the play structure. The other being Bateman Park. We will also be putting in a splash pad at Ben Franklin Park that will be fully operational by next year. The City has started the design process for the refurbishment of Steve MacLean Park. This project will likely be finished next year.

I would like to thank all of you that came out to the open house Wednesday night to discuss the Wallford Way, Farlane Boulevard, Hilliard Avenue, Millbrook Crescent, Deer Park Road and Fisher Avenue road, sewer and watermain replacement project. You can take a look at the design boards for the project at the following [link](#).

Residents might have noticed an increased Ottawa Police presence in the Fisher Heights area over the past number of days. As part of the Gang Initiative, The Guns and Gangs unit and DART executed a proactive response in the area. This is part of an on-going initiative happening throughout the City. The community should not be concerned. OPS is engaging in proactive initiatives to curb the violent incidents that are happening in our City. Once again, I do encourage residents to report any suspicious activity or incidents to OPS either online at ottawapolice.ca or by telephone 613-236-1222.

I would like to thank all the volunteers and Queensway Carleton Hospital that made the Hope Blooms fundraiser such a success this past Thursday. To find out more about this fundraising campaign please check out the following [link](#).

Councillor Egli along side the Mayor and Councillor Qaqish at the Red Light Camera Opening

I also would like to remind you that I will be hosting the annual Ward 9 Fun Day on Saturday, June 9th at 11:30 a.m. - 3:00 p.m. There will be complimentary food and entertainment for the whole family.

There are two events of interest coming up in the Ward. The 33rd Annual Community Festival of the Madonna della Risurrezione Mass will be taking place over this weekend at Madonna della Risurrezione (1621 Fisher Ave.) and the Merivale High School Art Show on June 1st. Both are great annual events and I urge you to attend.

Finally, good luck to everyone running this weekend.

Until next week,
Keith
